

You will be admitted to the doctor's office only if you wear a face mask!

Dear Patient,

Please come to the doctor's office **only after prior appointment by telephone** and at the **agreed time** and strictly observe the following rules issued for medical practices by the Medical Chamber.

Rules of conduct:

- Wear a **mouth and nose mask** – for example, one of the **protective masks** handed out at supermarkets, a self-made protective mask or a scarf.
- Before checking in at the reception desk, **wash your hands for 30 seconds**.
- **If possible, wait outside the practice** until you are called up
- When checking in at the reception desk and during your time in the waiting room, make sure you **keep a distance of 2 meters from other patients**.
- **Sneeze and cough into a disposable paper tissue and into your elbow** – do not sneeze or cough into your hands! Throw the used paper tissue in the bin and wash your hands for 30 seconds.

Prescriptions, sick leave certificates and answers to any medical questions will also be provided by telephone or email during your doctor's office hours:
